2
```

```
Enter bin number for book: 1500
```

```
Enter the price of book: 100
```

```
Book with bin number 1500 has been added
```

```
If you want to complete your process,Enter 1, if Not Enter 0: 0
```

Please Select an Operation (1-5):

- 1- Print Book list
- 2- Add a book
- 3- Search a Book
- 4- Remove a Book
- 5- Exit System

1

bin number = 1234	Price = 72.45
bin number = 1500	Price = 100.00
bin number = 2345	Price = 25.20

Please Select an Operation (1-5):

- 1- Print Book list
- 2- Add a book
- 3- Search a Book
- 4- Remove a Book
- 5- Exit System

4

Please Enter the bin number for book to remove: 1700
Book with bin number 1700 does NOT exist

If you want to complete your process, Enter 1, if Not Enter 0: 1
Please Enter the bin number for book to remove: 1234
Book with bin number 1234 has been Removed

If you want to complete your process, Enter 1, if Not Enter 0: 1
Please Enter the bin number for book to remove: 2345
Book with bin number 2345 has been Removed

If you want to complete your process, Enter 1, if Not Enter 0: 0

Please Select an Operation (1-5):

- 1- Print Book list
- 2- Add a book
- 3- Search a Book
- 4- Remove a Book
- 5- Exit System

2

Enter bin number for book: 1111

Enter the price of book: 60.9

Book with bin number 1111 has been added

If you want to complete your process,Enter 1, if Not Enter 0: 0

Please Select an Operation (1-5):

- 1- Print Book list
- 2- Add a book
- 3- Search a Book
- 4- Remove a Book
- 5- Exit System

3

Please Enter bin number of book to search for: 1500

bin number = 1500 Price = 100.00

If you want to complete your process,Enter 1, if Not Enter 0: 0

Please Select an Operation (1-5):

- 1- Print Book list
- 2- Add a book
- 3- Search a Book
- 4- Remove a Book
- 5- Exit System

1

bin number = 1111 Price = 60.90

bin number = 1500 Price = 100.00

Please Select an Operation (1-5):

- 1- Print Book list
- 2- Add a book
- 3- Search a Book
- 4- Remove a Book
- 5- Exit System

2

Enter bin number for book: 1444

Enter the price of book: 150.0

Book with bin number 1444 has been added

If you want to complete your process, Enter 1, if Not Enter 0: 0

Please Select an Operation (1-5):

- 1- Print Book list
- 2- Add a book
- 3- Search a Book
- 4- Remove a Book
- 5- Exit System

1

bin number = 1111	Price = 60.90
-------------------	---------------

bin number = 1444	Price = 150.00
